RE: Single Audit Deadline

Local Government Services (LGS) has received several inquiries about the upcoming March 31, 2020 federal single audit deadline. LGS cannot extend a federal deadline.

However, we do understand how the current crisis is impacting the completion and submission of audit reports and expect audit reports will be submitted after the March 31 deadline.

There is not a State penalty for late audit reports; LGS will not be sending delinquent audit report notices; and we will work with all entities and auditors needing our assistance.

The Office of Management and Budget (OMB) has released memorandums M-20-17 and M 20-11.
