I. Purpose
This policy establishes the requirements necessary to implement Executive Order No. 15-2018 Requiring Disclosure of Dark Money Spending for Entities Doing Business with the State.

II. Scope
This policy applies to all executive branch agencies, except the university system, soliciting and contracting for state procurement contracts with a Total Contract Value over $25,000 for services or $50,000 for goods. The disclosure requirements apply to bids/proposals received on or after October 1, 2018. New contracts awarded with a contract term of 24 months or longer (or the potential to have a term of 24 months or longer) affected by this policy must include a requirement for annual disclosure by the contractor. This policy does not apply to solicitations issued and contracts executed under Title 18, Chapter 2, MCA, Construction Contracts, or Title 18, Chapter 8, MCA, Architectural, Engineering, and Land Surveying Services.

III. Definitions

b. a communication by any membership organization or corporation to its members, stockholders, or employees;

c. a commercial communication that depicts a candidate’s name, image, likeness, or voice only in the candidate’s capacity as owner, operator, or employee of a business that existed prior to the candidacy; or

d. a communication that constitutes a candidate debate or forum or that solely promotes a candidate debate or forum and is made by or on behalf of the person sponsoring the debate or forum.

In this definition, the phrase "made within 60 days of the initiation of voting in an election" means:

a. in the case of mail ballot elections, the initiation of voting occurs when official ballot packets are mailed to qualified electors pursuant to 13-19-206, MCA;

**IV. Requirements**

**A. Procurement Officer Requirements**

1. When soliciting for state contracts, the procurement officer shall require all bidders/offerors submitting bids/proposals for contracts with a total contract value over $25,000 for services or $50,000 for goods to disclose Covered Expenditures that the bidder/offeror made within two years prior to submission of its bid or offer.

   The bidder/offeror shall provide the disclosure of Covered Expenditures whenever the aggregate amount of Covered Expenditures made within a 24-month period by the bidder/offeror, any parent entities, or any affiliates or subsidiaries within the bidder/offeror's control exceeds $2,500.

   The disclosure form appended as Attachment A includes the following fields to complete and submit with the bid/offer if the bidder/offeror meets the disclosure requirements:

   b. the date and amount of each Covered Expenditure;

   e. in the case of a Covered Expenditure made to an entity that purchases electioneering communications, if known at the time that the expenditure is reported, the name of each candidate, including the office held and office sought as applicable, to whom the communication refers or each ballot measure to which the communication refers.

2. Any disclosure under this policy must be made to the Department of Administration (DOA) or to the contracting department or agency, at the time of the contract bid or offer. If the disclosure is made to a department or agency other than the DOA, the recipient department or agency shall forward the disclosure to the DOA in accordance with procedures established by DOA. The DOA shall compile this information and make it available in a searchable database on transparency.mt.gov.

3. For any new contracts that are 24 months or longer (or the potential to have a term of 24 months or longer) and executed from solicitations affected by this policy, the DOA or the contracting department or agency shall require
an updated disclosure form from the awarded contractor every 12 months from the contract’s start date.

4. No contracting department or agency may discriminate between or among contracting entities because of the content of an entity’s expenditures or contributions disclosed under this policy; however, departments or agencies may not award a contract with a total contract value of more than $25,000 for services or $50,000 for goods to any entity that does not complete the required certification.

B. Solicitation and Contract Requirements

1. The following requirements for solicitations and contracts apply:
   a. All solicitations requiring the disclosure must include a question from the DOA's State Procurement Bureau (SPB) Standard Solicitation Library titled "Dark Money Disclosures" (see Appendix A) and the declaration and disclosure forms (see Appendix B) requiring each bidder/offeror to certify it has read and understands the disclosure requirements and has submitted its disclosure form, if required. A contract may not be awarded without a signed disclosure form from the bidder/offeror.
   b. The language included in Appendix C must be included in all new state contracts affected by this policy. Any modifications to this standard language must be approved in writing by the SPB.
   c. Sole source procurements with a Total Contract Value of more than $25,000 for services or $50,000 for goods require a signed declaration form and disclosure form, if applicable, prior to contract execution. If applicable, the contract must include the required annual disclosure language in Appendix C. Any exceptions to this part must be approved in writing by the SPB.
   d. Contracts for goods and services specifically exempted by the Montana Procurement Act with a Total Contract Value of more than $25,000 for services or $50,000 for goods require a signed declaration form and disclosure form, if applicable, prior to contract execution.
