1099 Reporting:

Part 4 – Recording Reportable Payments

Recording Reportable Payments

There are two ways to record a reportable payment for supplier

- 1. On the voucher at the time of payment (recommended)
- 2. Through the Adjust Withholding screen in <u>SABHRS</u>
 - Main Menu>Suppliers>1099/Global Withholding>Maintain>Adjust Withholding

- agency's 1099 MISC/NEC reporting
- Sorting the query will help you quickly determine if all but one or a few payments have been marked for reporting

Recording Reportable Payments

Verifying Reporting Information

In the query results shown, you will notice the variation in the withholding code information If Jim's Tree Trimming was paid for the same type of services for each payment, the withholding information should be consistent If you see a supplier with a business name that clearly indicates a service provided, but is not marked, you may want to investigate further
