

# Trial Balance Guide for Counties, Cities and Towns:

Trial Balances are required to be submitted to the Department of Administration (DOA) Local Government Services Bureau (LGSB) annually by December 31<sup>st</sup>.

Trial balance reports are shared on the LGSB public portal and the data is forwarded to the Legislative Fiscal Division for upload into the [Local Government Dashboard](#).

What is used by the Legislative Fiscal Division in 4-Digit Fund Code

- 6-Digit Account Number
- 3-Digit Expenditure Object
- Account Name
  - Used to answer specific questions, but not published within the dashboard
- Closing Balance

Consistency of the data submitted by the Counties, Cities and Towns is vital for ensuring that the report that the Legislative Fiscal Division presents is timely and accurate as it is presented to the public via the dashboard tool.
