BUDGETARY ACCOUNTING AND REPORTING SYSTEM
(BARS)
FOR MONTANA CITIES, TOWNS AND COUNTIES

EXPENDITURE ACCOUNTS

(The sum of all expenditure accounts by fund must equal general ledger account 242000)

410000 General Government - As a functional classification this account is charged with all expenditures for the legislative, executive, and judicial branches of a governmental unit. It is also charged with expenditures made by other top-level auxiliary and staff agencies in the administrative branches of government.

410100 **Legislative Services** - This group includes accounts or recording expenditures for the cost of providing representation for the citizenry, in the governing body. In the County Commissioner form of government, legislative and executive services could be combined into one activity.

410130 **Committees and Special Bodies** - Is charged with expenditures of regular committees of the governing body, including local government study commissions, special investigating committees, and other committees, bodies, or representatives responsible solely to the governing body.

410140 **Ordinances and Proceedings** - Is charged with expenditures for printing and advertising ordinances and for printing the proceedings of the governing body.

410150 **Secretarial Services** - Is charged with expenditures for secretarial staff assigned to the legislative body. Where expenditures would have to be allocated to other activities, it may not be practicable to allocate secretarial services to this activity.
